

voest Alpine Klangwolke:

Klangwolke Weekend Special

Saturday & Sunday, July 28-29 and August 18-19, 2012 / 10 AM-6 PM

(Linz, July 25, 2012) The preparations for the voest Alpine Klangwolke are moving forward in high gear. Over recent days and weeks, lots of illuminated letters have been constructed and soundcloudminiatures composed. Now, it's time to take these activities to the next level of intensity: Klangwolke Weekend Specials on July 28-29 and August 18-19, as well as two workshops focusing on recording and remixing sounds.

Record & Mix Sounds of the City

The **CitySoundWalk** workshop shifts attention to the acoustic environment of Linz. Accompanied by sound artist Marco Palewicz, the group will head out on a tour of the city to discover and record all the multifarious sounds that can be experienced there. The sound files that are the outcome of this walk can then be mixed in a **weRemix** workshop, and used to produce so-called soundcloudminiatures in the Ars Electronica Center's SoundLab.

Dates & Times

The CitySoundWalks are held on Saturday, July 28 and Saturday, August 18, 3-6 PM. The weRemix workshops are on the following Sundays, 2-4 PM. On these days, the SoundLab and the ABC-Werkstatt are open from 10 AM to 6 PM. The number of participants is limited to 10. Please preregister by sending an e-mail to center@aec.at or calling 0732.7272.51. Holders of a valid museum ticket can take part in both workshops free of charge.

voest Alpine Klangwolke – A Sound Cloud by All for All

The Brucknerhaus and Ars Electronica are precipitating this year's voest Alpine Klangwolke. Breathtaking technical effects, spectacular interplay of human and robotic protagonists, thousands of brilliantly glowing letters and artistic illumination of the cityscape itself, singing lightning bolts and wonderful worlds of sound compose this Klangwolke, an account of the interconnectedness of our world. And anyone can become a part of this "cloud in the Web"; everyone can contribute their own musical fragments or homemade letters of light to the extravaganza. The voest Alpine Klangwolke is set for September 1 at 8:30 PM in Donaupark.
