Monday, May 21, 2012 / 7 PM / Ars Electronica Center, Deep Space

(Linz, May 17, 2012) “VISUAL SOUND TOUR – The Linz Sinfonietta” will be the Linz Music School’s third guest appearance at the Ars Electronica Center. On Monday, May 21 at 7 PM, student musicians under the direction of Petra Wurz and Marco Palewicz will perform amidst spectacular high-definition graphics in Deep Space. The focus, both musically and visually, will be on the City of Linz itself. All the works were written by Linz musicians; the projected images are provided by the Municipal Archive and nature filmmaker Erich Pröll. There’ll also be an exhibit of stencil graffiti photographed around town. Admission is free.
