

## Deep Space LIVE: Storm Surfers 3-D

Thursday, May 15, 2014 / 8-9 PM & Sunday, May 18, 2014 / 1-2 PM / Ars Electronica Center

(Linz, May 12, 2014) Huge waves and thrills aplenty are in store for visitors to the next Deep Space LIVE this Thursday, May 15th. "Storm Surfers 3-D," a Red Bull Media House production, accompanies Australian surf legends Ross Clark-Jones and Tom Carroll on their search for the Southern Hemisphere's most awesome breakers. In addition to breathtaking 3-D action footage, the focus in this film is on qualities like friendship, courage and determination. Viewers get glimpses into the lives of friends who happen to be two of the world's top surfers. "Storm Surfers 3-D" will be reprised in Deep Space on Sunday, May 18th at 1 PM.

### Deep Space LIVE

The Ars Electronica Center is now hosting a Deep Space LIVE event every Thursday (except holidays) at 8 PM. Each presentation will feature ultra-high-definition imagery in 16x9-meter format and will be accompanied by expert commentary, entertaining stand-up repartee, and musical improvisation. Whether great works from the history of art, space travel, journeys of discovery in the Nanoworld, or a live concert is what you've come to behold, Deep Space LIVE stands for enlightening entertainment amidst breathtaking worlds of imagery. Admission is €2. Holders of a valid Museum ticket are admitted free of charge.
